

# WINTER CRAFTS

## Paper Plate Snowman

Supplies needed: paper plate, paper, scissors

Directions: Use a paper plate for the face, orange paper for the nose, black for the eyes, red for the cheeks.

Interactive tips: Sing **Frosty the Snowman** while making the craft!

## Snowflake Wreath

Supplies needed: paper, glue stick, paper plate, scissors, crayons

Directions: Find a snowflake template or use the one found here:

<https://www.firstpalette.com/printable/snowflake.html>  
After you cut the center out of your paper plate, have your child decorate their plate with the snowflakes by gluing them down.

Interactive tips: Sing **Let it Snow** while making the craft!

## Winter Tree Finger Painting

Supplies needed: paper, washable paint, paint brush, black marker, Q-tip

Directions: Draw a tree on the paper or trace a hand. Dip the paint and make snow on the trees! Use Q-tips to make snow on the paper.

Interactive tips: Read a book about trees like *Winter Trees* by Carole Gerber. Learn about trees and their life cycles.
